I have court orders allowing me to see my child/ren on specific days and at specific times. My court order states a specific location for me to pick up my children. [If you do not have a court order, or your order does not include specific days and times for your visitation, or if your order does not include a specific location for you to exchange your child/ren with the other parent, you will need to go back to court to get an order that includes these things, before a court can enforce your order.]

I have tried to see my children, according to my court order, but the child's other parent did not allow me to see the child/ren.

This journal records the times I tried to see my child/ren, according to the court ordered schedule. I tried to see my child/ren on the following dates, but was not allowed to.

[Complete the charts with information about when you tried to see your child/ren, according to your court schedule, but were not allowed to. You can copy and add additional charts, if you need to.]
